E-BOOK

9 EXCLUSIVE PATTERNS

Amigurumi and decoration pieces
for a beautiful celebration!

CIRCULO

Easter will be celebrated in April, but we've already begun to feel the delicious taste of the date around here! And the handmade decoration is a must during this time! Handmade projects need time and require a lot of dedication to be made. This process fills the days and hearts of artisans with the most beautiful feelings!

After finishing, these themed pieces take the Easter cuteness to all corners of our house and help you to create a love vibe that surrounds this very special time of the year. That's why we developed the 2023 Easter e-book in which you will find 9 exclusive patterns for your decoration that will serve as a setting for sweet family moments. Grab your favorite yarns, hooks, and needles, get inspired by this content, and start making them now!

Tapestry crochet: According to
the tapestry crochet technique,
you work with 2 strands of yarn
in each row, switching colors
according to the chart. Work
one color at a time, while
keeping the other colors inside
the sts throughout the work.
The color of the yarn is always
changed in the last 2 loops of the
stitch. In a correct color change,
you have a stitch in a solid color
and a new color on your hook.
